

Easter Sunday A, 2020 ... *offered to assist in your prayer this week.*

Liturgy at Home

Scripture

Read the scripture readings of the Sunday Mass and sit with them quietly.

Did you know?

... that the date of Easter, in Western Christianity, is determined by the lunar cycle? Easter Sunday is the first Sunday after the first full moon following the spring equinox. This means the date of Easter Sunday will change year to year, since the lunar cycle is only twenty-nine-and-a-half days.

Conversation Starters

- Imagine you were the first one to enter the tomb on that first Easter morning. What would you think when you saw the empty tomb and the burial cloths?
- Who would be the first person you'd share the Good News with? What would you say?

Faith in Action

We continue to be witnesses to the Resurrection when we contribute to the life and joy of our sisters and brothers in need. Perhaps you are keeping in touch with someone, or praying for countries across the world, during this difficult time of COVID-19 infection and isolation. Decide how you might continue to do this important work during the Easter Time ahead. Talk with others about how your simple contributions of friendship and time will bring people new life.

Prayer

Praise to you, Risen Christ!

You brought light to the whole world by your Resurrection.

May your Easter light bring healing and peace to our homes and world.

Shine in each of us.

Light our hearts and minds to know you better,

to love you more and more, and to serve you by shining your light in our lives.

May your blessing among us, spread to all who need light and life at this time.

In faith, we pray,

in the name of the Father, and of the Son, and of the Holy Spirit. Amen.
