#### CHURCH KEY

A coded key box has been secured to the outside wall near the canteen roll-a-door at the church. It contains a key to the church. If it is easier for you to use it, instead of your own key, you will need the code (ask Vera); but you will be asked to return your church key first. There are still too many keys outstanding.

#### On-line Training Course – COVID-19

An on-line course to obtain a *Certificate of Acknowledgement for Infection Control Training for COVID-19* is available @ <https://covid-19training.gov.au/>

It takes about 30 mins and is a Queensland Government, Department of Health initiative. While it may not teach us anything we may not already know, it does clear up any mis-information.

---

**All parish volunteers** will find this helpful for the weeks and months to come.

**Pope Francis's Prayer Intention for July:** In his prayer intention for the month of July 2020, Pope Francis asks everyone to pray that today's families may be accompanied with love, respect and guidance.

**The full text of his intention is below:**

*'The family ought to be protected. It faces many dangers: the fast pace of life, stress... Sometimes, parents forget to play with their children. The Church needs to encourage families and stay at their side, helping them to discover ways that allow them to overcome all of these difficulties. Let us pray that today's families may be accompanied with love, respect and guidance, and especially, that they may be protected by the State'*
