Last Friday was the feast of the **Most Sacred Heart of Jesus**, also known as the Sacred Heart of Jesus or Sacratissimum Cor Iesu (in Latin), is one of the most widely practised and well-known Catholic devotions, wherein the heart of Jesus is viewed as a symbol of "God's boundless and passionate love for mankind."

11th Sunday in Ordinary Time Year A

REFLECTION by Dianne Bergant CSA
The major themes today are call and discipleship. Most of us are rather insignificant in the eyes of the broader society. And even those who are well known or in some way famous are still just simple human beings with needs and fears and dreams like the rest of us. Yet we have been called by God. This is what makes us special. Paul picks up this theme in his development of justification. He argues that we are special because when we were still sinners we were justified. All this has come to us as a pure gift from God. It is God who calls; it is God who chooses; it is God who justifies. If we are to boast, we must boast in God.
