

2024 Sacramental Program

Family Commitment Statement

When my/our child was Baptised I/we accepted the responsibility of bringing them up in the practice of the Christian faith (by loving God and neighbour), and to support their faith journey within the Christian Community.

In that same responsibility, I/we now recommit myself/ourselves to that duty by:

- attending ALL preparation sessions with my/our child/ren
- actively participating in further preparation and discussion at home, and
- attending Mass whenever possible with them as part of their ongoing preparation and development.

I understand that if I do not keep this commitment, I/we cannot presume my/our child/ren will automatically proceed to the sacraments this year. We may indeed be asked to wait for a more suitable time.
